

COMPANY PROFILE  
**2024**

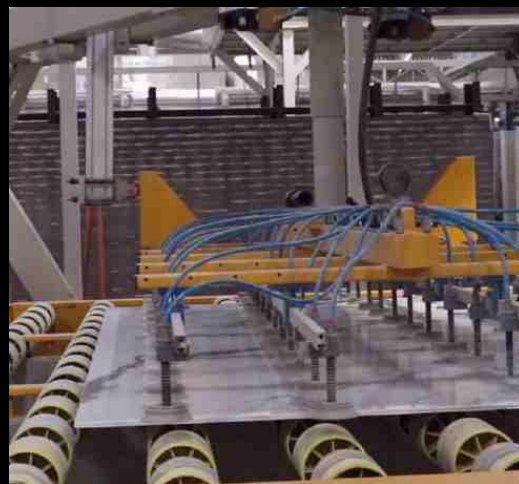

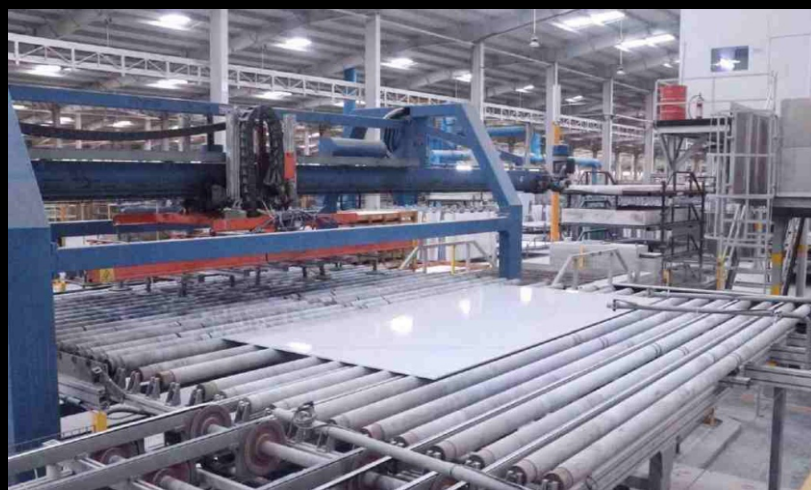

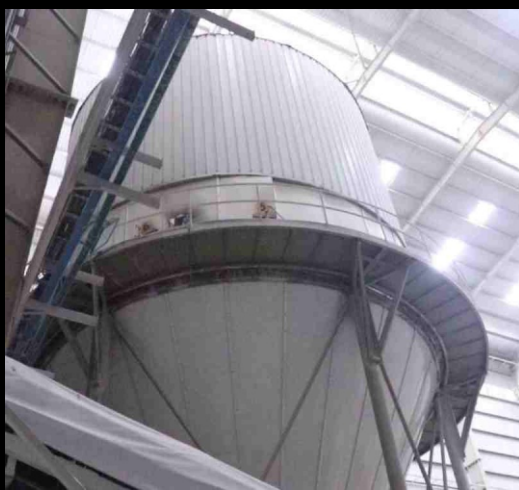

[www.linkintrade.in](http://www.linkintrade.in)

Linkin International (Formerly known as Linkin Ceramic Group) was formed by Narsinhbhai Bhimjibhai Sitapara in 1996. His Business acumen and profound knowledge of ceramics helped lay the foundation to Linkin Ceramic Group way back in 1996. He was convinced that the Indian ceramic industry was poised to grow by leaps and bounds and took well measured steps to ensure that the Linkin Ceramic Group was well ahead of the competition in the Indian market . Narsinhbhai also foundly known as Narsinhkaka in the Ceramic Industry is truly a pioneer and a Icon who believed in giving back to the society in various ways and although retired since 2022 from active day to day involvement in the company, he continues to guide us and motivate us. Linkin International is now helmed by Ashish Narsinhbhai Sitapara and Ashish Tiwari both highly motivated individuals dedicated to the growth of the company in the global market. The company's is making headwaves in the global market under this new leadership.

# Where innovation **MEETS AUTHENTICITY**

We have a diverse range of collection in our product series. Our strength lies inside the efforts made by our professional craftsmen and ingenious designers to bring imagination into existence. Be it bluster or lustre, we've included different textured surfaces in our collection for a better sense of touch for the user. Allowing creativity to align with the final products, we've ingrained our designs in such a way that it allows everyone to explore their artistic potential to create the desired effect in your living. Utilizing our range of products will make your ambience stand apart from the existing conventional norms.
